The Empress is the oldest theatre in Alberta and has a very star-studded history. We look forward to showcasing this Grand Lady and telling you a bit about the performances and programs in a brief presentation. We may even tell you a bit about our resident ghost, "Ed".

Complimentary wine and cheese and other hors d'oeuvres will be served.

A surprise guest entertainer will perform for 45 minutes starting at 5:30.

As members of the Lethbridge Chamber of Commerce, it is our pleasure for the Empress to welcome you to our Business After Hours and to mingle with you as we enjoy refreshments and food.
