Honourable Perrin Beatty

President and Chief Executive Officer of the Canadian Chamber of Commerce

The Honourable Perrin Beatty is the President and Chief Executive Officer (CEO) of the 175,000-member Canadian Chamber of Commerce, Canada's largest and most representative national business association. In his capacity as President and CEO, Mr. Beatty is the principal spokesperson advocating the policy positions of the Canadian Chamber's members to the federal government, international organizations, the media and the general public.

Mr. Beatty serves on a number of Canadian Government advisory committees covering issues that include border management, privacy and international trade. He is also a member of the Advisory Council of the Canadian Defence and Foreign Affairs Institute and served for five years as Business Co-Chair of the Canadian Labour and Business Centre.
