Dear Premier Stelmach:

We greatly appreciated the opportunity to meet with you, when Team Lethbridge visited Edmonton.

The Team Lethbridge meetings held with your Cabinet Ministers, Deputy Cabinet Ministers, and Executive Assistants were very informative and appreciated by everyone.

Lethbridge is a thriving city and its success can be attributed to the many groups and organizations, that work together for the good of the community. Team Lethbridge is an example of these community partnerships and our Chamber was proud to be involved in the initiative.

The Lethbridge Chamber of Commerce represents 750 business members here in Lethbridge. We would like to extend you an invitation to come to Lethbridge and speak to our members and the business community, at any time that is convenient to you.

Kindest regards
